

# Benefit from increased sales and contractor incentives!

## Keep your customers comfortable all year long!

Combine cooling and heating rebates to help increase sales.

### COOL SMART:

- ◆ A customer rebate of up to \$500. Rebates start at level SEER, 14.5/EEER 12.

### GasNetworks:

- ◆ A customer rebate up to \$800 for qualified natural gas furnace\* equipped with an ECM-type motor. Call **800-232-0672** or visit [gasnetworks.com](http://gasnetworks.com) to learn more about high-efficiency heating equipment and other rebates.

\*90% AFUE or greater, lower efficiency units - consult dealer

Rebates through:

GasNetworks, Inc. 1000 Riverside Ave., Columbus, OH 43215-1000  
National Grid USA, New England Gas, NSTAR, Inc., 2010, 2012

COOL SMART sponsors for Massachusetts and Rhode Island customers:

## Become a COOL SMART QIV participating contractor

★ Join the 200+ MA/RI trained QIV contractors who are gaining the benefits of participation!

- ◆ Become an ENERGY STAR Quality installation contractor and gain Premier Contractor recognition on our website. Call **800-365-3260** for more information.
- ◆ Earn up to \$1000 for performing QIV on properly sized rebate-eligible high efficiency AC equipment.
- ◆ Earn incentives of \$250 per half ton for downsizing replacement equipment.
- ◆ Earn significant incentives for early replacement of 9 or 10 SEER equipment with ENERGY STAR equipment (must be a QIV trained contractor).

Subject to program terms and conditions.
